whether we will admit it or not it happens all the time we often judge individuals families churches and other organizations based on a lack of information we hear something negative about a teenager in our child's class and assume that the parents are slacking off we get reprimanded by the church greeter for our attire and assume that the whole church is unfriendly and cold we listen to the news about a greedy ceo and assume the whole company is out to rip us off following this train of thought what do you think of when you hear the name muhammad do you think of a prophet of god sent to the arabs or do you think of a leader who formed a blood thirsty religion your perception will most likely be skewed by what you know about muslims today but that begs the question what do you really know about muhammad and islam are you willing to study and learn about his life and teachings are you willing to reach across the divide and get to know the descendants of abraham so that we can relate to them better who was muhammad an analysis of the prophet of islam in light of the bible and the quran engages readers in a fascinating study of the life and times of muhammad from a historical and prophetic standpoint pastor doug hardt then launches readers into an in depth study of the quran and muhammad's teachings to see if they agree or disagree with the word of god this book will deepen your understanding of the origin of the second largest religion in the world

prophets of the great spirit offers an in depth look at the work of a diverse group of native american visionaries who forged new syncretic religious movements that provided their peoples with the ideological means to resist white domination by blending ideas borrowed from christianity with traditional beliefs they transformed high gods or a distant and aloof creator into a powerful activist deity that came to be called the great spirit these revitalization leaders sought to regain the favor of the great spirit through reforms within their societies and the inauguration of new ritual practices among the prophets included in this study are the delaware neolin the shawnee tenkswatawa the creek red stick prophets the seneca handsome lake and the kickapoo kenekuk covering more than a century from the early 1700s through the kickapoo indian removal of the jacksonian era the prophets of the great spirit sometimes preached armed resistance but more often used nonviolent strategies to resist white cultural domination some prophets rejected virtually all aspects of euro american culture others sought to assure the survival of their culture through selective adaptation alfred a cave explains the conditions giving rise to the millenarian movements in detail and skillfully illuminates the key histories personalities and legacies of the movement weaving an array of sources into a compelling narrative he captures the diversity of these prophets and their commitment to the common goal of native american survival

the prophet of peace deals with the significant issues associated with the life of the prophet including jihad ijtihaad the concept of war and the relationship with other religious communities quoting extensively from the quran and the hadith maulana wahiduddin khan illuminates the islamic view of modernity secularism democracy freedom of speech and the relevance of islam in the modern age clarifying that islam as revealed in the quran is not anti modernity nor does it advocate violence persuasive and compelling in its breadth and wisdom this book presents an authentic picture of the life and teachings of the prophet muhammad and

in this thorough introduction to the prophets of ancient israel o palmer robertson captures the passion and purpose of their extraordinary writings he writes a new covenant a new zion a new temple a new messiah a new relation to the nations of the world these were the expectations designed to create future hope for the people who

would have to endure the trauma of deportation from their land after examining the origins of prophetism the prophets call and their proclamation and application of law and covenant robertson devotes special attention to the biblical theological significance of the exile and restoration viewing those experiences through the lens of several prophets he draws our focus to the sufferings and glorious restoration of god s people in christ the christ of the prophets serves as a sequel to the christ of the covenants a work already regarded by many as a classic in the field of biblical theology the unparalleled outpouring of inspired literature through the prophets came at a period of history that invites comparisons to our own their proclamation to their contemporaries and predictions regarding israel s exile restoration and coming messiah have timeless applications students of biblical theology will especially appreciate robertson s analysis of these prophecies as well as his solid alternative to liberal and neo orthodox interpretations today book jacket

this work on the life history of the prophet s stands out from other works in quite a few ways first every detail mentioned has been traced back to original sources whose authenticity has been discussed extensively in the footnotes second the events of the prophet s life have been related to modern times and lessons drawn for the benefit of those who happen to face similar situations in their struggle to spread the prophetic message

this books presents many new insights in the biblical book of zechariah and the book of watchers 1 enoch 1 36 moreover it highlights some aspects of early jewish apocalyptic which were previously less acknowledged

taking a refreshingly original approach to a familiar topic this authoritative study examines the biblical prophets and jewish and christian interpretations of prophecy beginning with a broad discussion of the phenomena of prophecy and the prophetic literature sawyer explores the work of old testament prophets ranging from moses to huldah and daniel to malachi in marked contrast to other studies he pays particular attention to legends about the prophets both canonical and apocryphal many of which have been considerably more influential in the history of western civilization than the prophets original words he concludes with a chapter on jewish christian and muslim

interpretation and the matter of the fulfillment of prophecy
