the ming qing dynastic transition in seventeenth century china was an epochal event that reverberated in qing writings and beyond political disorder was bound up with vibrant literary and cultural production women and national trauma in late imperial chinese literature focuses on the discursive and imaginative space commanded by women encompassing writings by women and by men writing in a feminine voice or assuming a female identity as well as writings that turn women into a signifier through which authors convey their lamentation nostalgia or moral questions for the fallen ming the book delves into the mentality of those who remembered or reflected on the dynastic transition as well as those who reinvented its significance in later periods it shows how history and literature intersect how conceptions of gender mediate the experience and expression of political disorder why and how are variations on themes related to gender boundaries female virtues vices agency and ethical dilemmas used to allegorize national destiny in pursuing answers to these questions wai yee li explores how this multivalent presence of women in different genres provides a window into the emotional and psychological turmoil of the ming qing transition and of subsequent moments of national trauma 2016 joseph levenson book prize pre 1900 category china and inner asia council of the association for asian studies

this volume traces the growth of the indigenous hindi film hero from the silent era up to dilip kumar the film hero is depicted as a credible representative of the social cultural and political milieu of his era the author contends that the development of hindi cinema has been largely centered round the frontal figure of the hero in the course of the narrative the subject matter presents a compact history of mainstream hindi cinema by placing personalities events and trends in specific time frames

this handsomely illustrated book offers a broad synthesis of archaic greek culture unlike other books dealing with the art and architecture of the archaic period it places these subjects in their historical social literary and intellectual contexts origins and originality constitute a central theme

for during this period representational and narrative art monumental sculpture and architecture epic lyric and dramatic poetry the city state polis tyranny and early democracy and natural philosophy were all born

as winter draws its curtain around the first capital of zephent the goddess and her penal heroes are enjoying a little break but as usual the fun doesn't last for long soon the penal heroes are given a new order to interfere in the election for the next archpriest as various schemes and plots collide a force working behind the scenes is finally revealed a certain entity from xylo's past that he won't soon forget

in this accessible history of science and medicine marcus exposes the complex story of the efforts made from 1875 through 1915 to first conquer and failing that to control cancer a dual approach that remains in force to this day he reveals the messiness of real time scientific research tracing the repeated lurches of promise discoveries of hope and the inevitable despair that always followed other barriers existed to the research such as inconsistency in test standards and inter laboratory competition and mistrust researchers approached cancer from such disparate specialties as clinical medicine zoology botany chemistry nutrition bacteriology pathology and microbiology although they came from diverse fields each steadfastly maintained that cancer operated in an analogous fashion to other bacteriological diseases

this book examines the hero cults of sparta on the basis of the archaeological and literary sources nicollette pavlides explores the local idiosyncrasies of a pan hellenic phenomenon which itself can help us understand the place and function of heroes in greek religion although it has long been noted that hero cult was especially popular in sparta there is little known about the cults both in terms of material evidence and the historical context for their popularity the evidence from the cult of helen and menelaos at the menelaion the worship of agamemnon and alexandra kassandra the dioskouroi and others who remain anonymous to us is viewed as a local phenomenon reflective of the developing communal and social consciousness of the polis what is more through an analysis of the typology of cults it is concluded that in sparta the boundaries of the divine heroic mortal were fluid which allowed a great variation in the expression of cults the votive patterns topography and architectural evidence permit an analysis of the kinds of offerings to hero cults and an evaluation of the architecture that housed such cults due

to the material and spatial distribution of the votive deposits it is argued that sparta had a large number of hero shrines scattered throughout the polis which attests to an enthusiastic and long lasting local votive practice at a popular level
